Ok. Thanks for the update.

As I have indicated in the past, not to worry, we will work with you in regards to the late payment. Please let me know tomorrow when you expect to finalize. This Friday will make your payment 2 weeks overdue, so we would expect that your payment should be made soon.

Good morning Willy,

I'm flying to Indiana to ensure that the machines are being connected. I spoke with Todd yesterday and we are working on finalizing the financing timing for the last 600 machines. It appears that we are looking at later this week at the earliest. I will keep you updated as the timing becomes more clear.

We are anxious to make the payment so we can receive the machines and get them running.

Thank you,

Do you know when the funds will be available to be released from Escrow? Last week you had said it would be Friday or early this week.

BTW, your 1st shipment delivered yesterday, as scheduled.
